I agree to abide by all the rules and regulations that govern the daily operations of the Ellsworth Municipal Swimming Pool. This includes rules of the diving boards such as no back flips or back dives, no crossing dives between boards, no hanging from the board, and only one person on the board at a time with one reaching the ladder before another goes off the board. The rules of the slide are as follows: no “surfing” down the slide, no going headfirst or standing up on the slide, one person at a time on the slide, no spins or flips, no objects are to be taken down the slide, and no one besides the lifeguard and person exiting the slide may be in the black box at the bottom of the slide.
